

Order - EPD Aluminium windows

Company name: _____
Street: _____
Zip/City: _____
VAT: _____
Contact person: _____
Member code (ift) _____

Please send this questionnaire and your company logo in good quality to nachhaltigkeit@ift-rosenheim.de.

Question 1:

Product definition/product description

This EPD applies to windows and lift and slide elements with transparent or aluminium and/or opaque infill panels and are defined as follows.

Profile system	Highly thermally insulated aluminium constructions with different profile depths of 75 mm and 90 mm or, for lift and slide elements with a profile depth to 148 mm.
System supplier / licensor	HUECK System GmbH & Co. KG.
Type of opening / opening direction	Turn, TT, tilt, KvD, fold slide-turn, top-hung, PS, PAF, inward and partially outward opening. Sliding and lift and slide elements with types of opening (scheme) A, D, G, C, K, F as well as monorail.
Frame material	Composite profiles made of aluminium and PA/Noryl GTX or for lift and slide elements made of aluminium and PA.
Overall dimensions of frame member	Frame profile faces from 55 mm to 255 mm or for lift and slide elements from 35 mm to 115 mm.
Rebate seal / gasket	Glass rebate seal made of PE.
Surface coating	Powder coating.
Infill panel	WS075 and lift and slide elements with insulating glass unit (double) as well as WS090 with insulating glass unit (double or triple) in accordance with EPD for insulating glass units.
Glazing gasket	Sealing material made of EPDM.
Fittings, accessories and seals	From HUECK series.

This EPD is **NOT** valid for:

- Roof window, because there is too much difference between the constructive of the declared windows
- Structural glazing

Additional components such as outer and inner terminations such as shutters, sun protection devices, shutter boxes etc. are to be considered separately.

I hereby certify that I have read the product definition and the scope for this EPD. Furthermore I certify that my declared product conforms the product description and the scope!

Yes

Note:

This EPD is only valid for products which fulfil the described scope. For the creation of EPDs for additional products, please contact ift Rosenheim.

Question 2:

Product manufacture*:

*Energy and supplies inputs for further processing of the system components correspond to the research project for transparent components: energy 0.75 kWh/m², lubricants 0.6 g/m².

I hereby certify that all my manufacturing processes of the product conforms the described production processes.

Yes

Note:

This EPD is not valid for different production processes. To create an EPD valid for you, please contact the ift Rosenheim.

Question 3:

Production site:

I hereby certify that the manufacturing bases of the product are located in Europe.

Yes

Note:

This EPD is only valid for manufacturing bases in Europe. For further questions please contact the ift Rosenheim.

Question 4:

Quality assurance (optional):

Would you like to provide information about the quality assurance? Is an external monitoring or quality assurance (eg RAL or similar) available?

E.g. Quality assurance accordingly

- EN 14351-1
- RAL-GZ 695

Yes

No

Please note if YES: The information has to be confirmed by the proof of valid documents!

If NO, "No information from the manufacturer" appears in the document.

Question 5:

Management systems (optional):

Are management systems confirmed?

- Quality management system according to DIN ISO 9001
- Environmental management system according to DIN ISO 14001
- Occupational safety management system according to OHSAS 18001
- Energy management system according to DIN ISO 50001

Yes

No

Please note if YES: The information has to be confirmed by the proof of valid documents such as Certificates! Please attach this.

Question 6:

Declarable substances:

Are substances and preparations used, according to the REACH-regulation?

Yes

No

Please note if YES: Appropriated proofs have to be accompanied.

If NO: In accordance with the REACH candidate list, no substances of very high concern are contained.

Question 7:

Processing recommendations, installation (optional):

Would you make processing recommendations or giving details for the assembly of the product for the declared product?

For example: The planning and execution of the installation takes place according to the RAL-guideline for the "planning and execution of the installation of windows and external doors".

Order - EPD Aluminium windows

Yes

No

If NO: "No details from the manufacturer" appears in the document.

By returning the questionnaire, a contract between the creator and the ift Rosenheim GmbH is established. This contract is based on the [general terms and conditions of use](#) for online-services, the [special conditions of use](#) for the preparation of EPDs, the [general terms and conditions of business](#) of the ift-Rosenheim and the "[Conditions and Guidance for the Use of ift Test Documents](#)" (incl. ift-Logo, -pictogram and EPD-Logo).
The price for one EPD is 407 € for ift-members and 613 € for nonmembers. (plus VAT).

All "model EPDs" prepared by ift Rosenheim GmbH are published on the website www.ift-service.de. There is no anonymisation. However, it is a prerequisite that the user/future declaration-holder gives his consent to publish the model-EPD prepared for him prior to the preparation and transmission of the EPDs.

This consent is given with the dispatched order of the user. The user confirms that he is authorized to act on behalf of the future declaration-holder. This means that all statements made by the user herein, including this statement, will apply also for and against the future declaration-user.

I hereby confirm the above conditions.
