

Order – EPD aluminum façades

Company name: _____
Street: _____
Zip/City: _____
VAT: _____
Contact person: _____
Member code (VFF/ift): _____

Please send this questionnaire and your company logo in good quality to nachhaltigkeit@ift-rosenheim.de.

Frage 1:

Product definition/product description

This EPD applies to façades and fire-rated curtain walls of aluminum with transparent and/or opaque infill panels (curtain walls) and are defined as follows:

Profile system	Face widths: 50 mm Installation depth: 28 – 260 mm Transom profile depth: 6 - 215 mm Thickness of glass/infill panel: 8 – 62 mm Max. weight of infill panel: 800 kg
System supplier	heroal-Johann Henkenjohann GmbH & Co. KG
Opening type/direction	Can be combined with fixed lights and all heroal window/lifting/sliding and door systems
Frame material	Aluminium frame (with (stainless) steel reinforcements).
Construction type	Mullion-transom, transom-transom or mullion-mullion construction
Rebate seal	ABS- insulators/mineral insulators.
Surface	A wide range of designs with a large selection of standard RAL and DB colours as well as Eloxal, Les Couleurs® Le Corbusier and heroal Surface Design (SD).
Infill panel	Insulating glass units (double and triple) according to EPD “Insulating glass units”. Fire resistant glass according to EPD “Pilkington Pyrostop and Pilkington Pyrodur monolithic fire-rated glass“ (here: 32 mm)
Glazing gasket	Extruded EPDM glazing gaskets
Hardware, accessories and seals/gaskets	Accessories and hardware as well as quantities according to the heroal systems.

Additional components such as external/internal shutters, e.g. substructures, fasteners, roller shutters, solar shading devices, etc. must be considered separately.

Order – EPD aluminum façades

I hereby certify that I have read the product definition and the scope for this EPD. Furthermore I certify that my declared product conforms the product description and the scope!

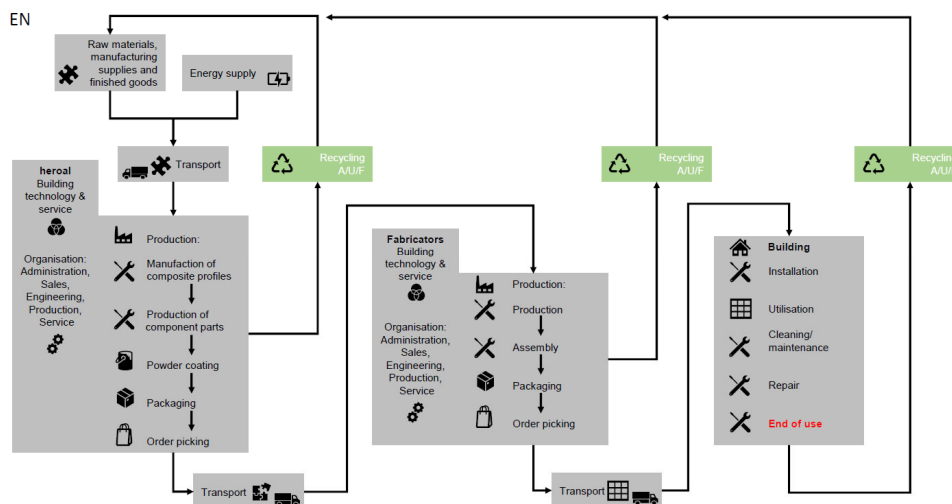

Yes

Note:

This EPD is only valid for products which fulfill the described scope. For the creation of EPDs for additional products, please contact ift Rosenheim.

Frage 2:

Product manufacture*:

*Energy and auxiliary materials used for further processing of the system components correspond to the research project for transparent building components: energy 0.75 kWh/m², lubricants 0.6 g/m²

I hereby certify that all my manufacturing processes of the product conforms the described production processes.

Yes

Note:

This EPD is not valid for different production processes. To create an EPD valid for you, please contact the ift Rosenheim.

Frage 3:

Production site:

I hereby certify that the manufacturing bases of the product are located in Germany.

Yes

Note:

This EPD is only valid for manufacturing bases in Europe. For further questions please contact the ift Rosenheim.

Frage 4:

Quality assurance (optional):

Would you like to provide information about the quality assurance? Is an external monitoring or quality assurance (eg RAL or similar) available?

E.g. Quality assurance accordingly

- EN 13241-1
- RAL-GZ 695

Yes

No

Please note if YES: The information has to be confirmed by the proof of valid documents!

If NO, "No information from the manufacturer" appears in the document.

Frage 5:

Management systems (optional):

Are management systems confirmed?

- Quality management system according to DIN ISO 9001
- Environmental management system according to DIN ISO 14001
- Occupational safety management system according to OHSAS 18001
- Energy management system according to DIN ISO 50001

Yes

No

Please note if YES: The information has to be confirmed by the proof of valid documents such as Certificates! Please attach this.

Frage 6:

Declarable substances:

Are substances and preparations used, according to the REACH-regulation?

Yes

No

Please note if YES: Appropriated proofs have to be accompanied.

If NO: In accordance with the REACH candidate list, no substances of very high concern are contained.

Frage 7:

Processing recommendations, installation (optional):

Would you make processing recommendations or giving details for the assembly of the product for the declared product?

For example: The planning and execution of the installation takes place according to the state of the art.

Yes

No

If NO: “No details from the manufacturer” appears in the document.

By returning the questionnaire, a contract between the creator and the **ift** Rosenheim GmbH is established. This contract is based on the [general terms and conditions of use](#) for online-services, the [special conditions of use](#) for the preparation of EPDs, the [general terms and conditions of business](#) of the **ift**-Rosenheim and the “[Conditions and Guidance for the Use of ift Test Documents](#)” (incl. ift-Logo, -pictogram and EPD-Logo).

The price for one EPD is 407 € for VFF/ift-members and 613 € for nonmembers. (plus 19% VAT).

All “model EPDs” prepared by **ift** Rosenheim GmbH are published on the website www.ift-service.de. There is no anonymization. However, it is a prerequisite that the user/future declaration-holder gives his consent to publish the model-EPD prepared for him prior to the preparation and transmission of the EPDs.

This consent is given with the dispatched order of the user. The user confirms that he is authorized to act on behalf of the future declaration-holder. This means that all statements made by the user herein, including this statement, will apply also for and against the future declaration-user.

I hereby confirm the above conditions.
