

FENSTERBAU FRONTALE INDIA

Centre of Excellence Pavilion

Feb 25th - 27th, 2016 | Mumbai, India

Bombay Convention & Exhibition Centre

www.frontale-india.com

THE TRADE SHOW. WINDOW. DOOR. FACADE.

FENSTERBAU FRONTALE INDIA 2015 concluded successfully in Bengaluru on the 28th of February. The fifth edition of the show saw participation from more than 8 countries and attracted more than 5000 visitors.

Centre of Excellence pavilion in association with **ift Rosenheim** was the main highlight at FENSTERBAU FRONTALE INDIA 2015. National and International companies with certified products participated under the banner of this pavilion to showcase latest and cutting edge technologies and strategies to improve quality successfully.

Mr. Jürgen Benitz - Wildenburg,
Director - PR & Communication, ift Rosenheim

"At FENSTERBAU FRONTALE INDIA 2015 we had a tremendous flow of visitors who visited the "Centre of Excellence" and witnessed the live testing of a window. Architects, Fabricators, Developers from all over India came to the exhibition to see how a window could be tested and subsequently the quality be improved. fensterbau/frontale india is an ideal platform for us to meet professionals from the Indian facade and fenestration industry."

Mr. Subhendu Ganguly,
Managing Director, AluK Building Systems Pvt. Ltd.

"Centre of Excellence platform and onsite testing demo was a brilliant idea to define quality. We found the outcome very positive giving us an opportunity to network, communicate, exchange ideas, showcase our latest products and technology in the façade and fenestration industry to our existing and potential customers."

Where knowledge & networking go hand in hand!

The 6th edition will be held in Mumbai from February 25th - 27th at the Bombay Convention and Exhibition Centre. Experts from ift Rosenheim will once again demonstrate through live presentations and seminars, factors which influence the product quality of windows such as construction principles, profiles, glass, sealing, hardware etc. with a view to achieve sustainable improvements in product quality, technology and usability. COME and WITNESS the ideal platform to meet professionals from the Indian façade and fenestration industry.
