Rules for sites certification

This Certificate has been issued on the basis of the rules for sites certification. The higher ranking company (headquarters) is responsible for the maintenance and further development of the management system as well as the control of central tasks.

Basis

During the certification audit it was demonstrated that the company and all sites listed in this Certificate have established and are applying a quality management system in accordance with DIN EN ISO 9001:2015 "Quality management systems – Requirements".

Christian Kehrer
Head of Certification and Surveillance Body

ift Rosenheim
01.08.2023

Initial certification: August 2011
Contract No.: 791 6246810
Valid until: 31.07.2026

Basis:

ISO 9001

Validity

The certificate is valid for three years. During this time the company is surveyed annually. The certificate is only valid in combination with the accompanying certification and surveillance contract. ift-Q-Zert shall be informed immediately in writing of all changes to the qualifications for certification and supplied with copies of all resulting new management documents.

Notes on Publication

The certificate shall only be reproduced unchanged. Regulations for the use of reports are given in the „Allgemeine Bedingungen für die Zertifizierung von Managementsystemen“.

The company is entitled to use the "ift-certified" mark in accordance with the ift "Zeichensatzung" (Rules on the use of the ift-mark).
