Publication of the accreditation certificate in extracts requires the prior written consent of the “Deutsche Akkreditierungsstelle GmbH (DAkkS)”. Excluded from this is the separate further distribution of the cover sheet by the conformity assessment body named overleaf in unchanged form.

It must not be given the impression that the accreditation also extends to fields beyond the scope of accreditation confirmed by the DAkkS.

The accreditation was granted in accordance with the Accreditation Body Act (AkkStelleG) and Regulation (EC) No. 765/2008 of the European Parliament and of the Council setting out the requirements for accreditation and market surveillance relating to the marketing of products.

The DAkkS is a signatory to the Multilateral Mutual Recognition Agreements of the European co-operation for Accreditation (EA), the International Accreditation Forum (IAF) and the International Laboratory Accreditation Cooperation (ILAC). The signatories of these agreements mutually recognise each other's accreditations.
